

Paper

Recycling for your business

Everything here

can be recycled here

Why should your business recycle paper?

Over 400 businesses in Perth & Kinross already benefit from this recycling service with around 6 tonnes of paper being collected and recycled into newsprint and other paper products each week.

Paper can make up a large proportion of business waste and is easy to recycle.

Recycling your paper:

- Does not incur landfill tax, so can save your business money
- Saves resources as recycling 1 tonne of paper can save up to 17 trees and 32,000 litres of water
- Saves energy as recycling 1 tonne of paper can save up to 42,000 kWh of electricity

What types of paper can be recycled?

You can recycle brochures, magazines, newspapers, office quality paper and the contents of unwanted mail.

This paper recycling service cannot currently accept envelopes, sticky notes, photographs, telephone directories or plastic coated paper.

How can your business recycle paper?

Paper can be collected in the following ways:

- In plastic recycling sacks
- A range of different sized blue-lidded bins are available

A range of collection frequencies are available.
